PROVINCIAL SECRETARY.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 20th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS the Regulations governing the granting of yearly licenses to cut timber on Dominion lands established by the Order in Council of the 11th November, 1881, as well as by the Order in Council of the 17th day of September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, provide that the licensee shall have in operation within one year from a date to be fixed in the license, and keep in operation for at least six months of each year of his holding, a saw-mill in connection with his berth capable of cutting daily at least one thousand feet board measure of lumber for every two and a-half square miles of the area licensed ;

And whereas this provision was enacted in order to encourage by every means the establishment of mills for the convenience of settlers who were removed from railways and other means of supplying themselves with lumber, and at a time when timber berths were granted without competition, and the result has been the establishment of a very considerable number of mills, and every facility is now afforded for the purchase of manufactured lumber in almost every settlement in Manitoba, the North-West Territories, and within the railway belt in British Columbia,—

Therefore His Excellency, being of the opinion that the time has now arrived when a licensee should not be called upon to construct a mill unless the establishment thereof would supply a local need, is pleased to order, under the provisions of chapters 54 and 56 of the Revised Statutes, intituled respectively "The Dominion Lands Act," and "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, that the Regulation which requires a licensee to have a saw-mill in operation upon his berth within a certain time, being sub-section (d) of section 2 of the Regulations approved by the Order in Council of the 11th November, 1881, as well as sub-section (f.) of section 2 of the Order in Council of the 17th September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, shall be and the same is hereby amended so that in respect of all licenses hereafter granted, the licensee shall be required to construct a mill and commence the manufacture of lumber from the timber on the tract covered by his license, within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest.

JOHN J. MCGEE,
Clerk, Privy Council.

No. 154.

A BY-LAW

Authorizing the Corporation of the City of Victoria to borrow the sum of \$200,000 in anticipation of the receipt of its Revenue for the year 1892.

WHEREAS, under and by virtue of sub-section (133) of section 96 of the "Municipal Act," every Municipality may, under the conditions contained in said sub-section, borrow from any person such sum of money and bearing such rate of interest as may be required to meet the current legal expenditure of every such corporation which becomes payable out of the annual revenue before the revenue of the year becomes payable by the taxpayers:

And whereas to meet the current legal expenditure of the Corporation of the City of Victoria for the year 1892, payable out of their annual revenue before such revenue for such year becomes payable by the taxpayers, it is requisite for the said Corporation to borrow the sum of \$200,000:

Therefore be it enacted by the Mayor and Aldermen of the Council of the Corporation of the City of Victoria, as follows:—

1. From and after the final passage of this by-law it shall be lawful for the Mayor and the Finance Committee of the Council of the Corporation of the City of Victoria to borrow upon the credit of the said Corporation from any person or persons, firm or firms, corporation or corporations, who may be willing to advance the same, the sum of \$200,000, in such amounts and at such times as the same may, in the opinion of the Mayor and the Finance Committee of the Council, be required, bearing interest at a rate not exceeding six per centum per annum.

A BY-LAW

Declaring that a distinction for the purposes of assessment shall be made between "land" and "improvements" within the Municipality of the Corporation of the City of Victoria, and fixing the time for making and returning the Assessment Roll.

WHEREAS, under and by virtue of section 121 of the "Municipal Act, 1891," it is enacted amongst other things that it shall be lawful for the Council of any Municipality to pass a by-law declaring that a distinction for the purposes of assessment within the Municipality shall be made between "land" and "improvements," and also declaring in the said by-law that for the purpose of assessment "land" situate within the Municipality shall be estimated at its actual cash value, as it would be appraised in the payment of a just debt from a solvent debtor, and "improvements," situate as aforesaid for the purpose aforesaid, shall not be estimated in excess of fifty per cent. of their actual cash value, as they would be appraised in payment of a just debt from a solvent debtor:

And whereas it is desirable that in pursuance of such powers as aforesaid, a distinction should be made between "land" and "improvements" within the municipal limits of the Corporation of the City of Victoria for the purpose aforesaid, and that "land" situate as aforesaid should be estimated at its actual cash value as aforesaid, and "improvements" situate as aforesaid for the purpose aforesaid, should be estimated at fifty per cent. of their actual cash value as aforesaid:

1. From and after the final passage of this by-law a distinction for the purpose of assessment shall be made between "land" and "improvements" situate within the municipal limits of the Corporation of the City of Victoria.

2. "Land" situate within the said limits shall be estimated for the purpose of assessment at its actual cash value, as it would be appraised in payment of a just debt from a solvent debtor.

3. "Improvements" situate within the said limits shall be estimated for the purpose of assessment at fifty per cent. of their actual cash value, as they would be appraised in payment of a just debt from a solvent debtor.

4. The Assessor shall begin to make the assessment roll on or before the first day of March, and complete the same not later than the 9th day of July in each year, and the assessment shall be made on the said 9th day of July in each year.

5. The assessment roll shall be returned by the Assessor to the Clerk of the Municipality on or before the 20th day of July, in the year 1892.

7. Any by-law or by-laws containing any provision or provisions which may be inconsistent with or repugnant to the provisions of this by-law is and are hereby repealed, in so far only as the same are inconsistent or repugnant, so as that full force and effect shall be given to the provisions of this by-law, but not otherwise.

This by-law may be cited as the "Land and Improvements' Assessment By-Law, 1892."
